Welcome

We, the graduating class of 1974, are proud to welcome to our graduation ceremonies:

Father Young, our hard-working Pastor, who was able to get us to rattle the windows with our singing but still hasn't been able to house break his puppy.

Father Pecharich, the local handball player and skier who trips over his microphone cords as gracefully as he glides on the slopes.

Sister Margaret Mary, who after six years of trying to get us to shape up, through her daily reminders to be our better selves, which will echo down through the years and hopefully prod us never to settle for anything less than our very best, can now sit back and watch us ship out.

And last but far from least, a big welcome to you Mom and Dad who beat the hell out of us when we got bad grades, to which we replied, "The devil made me do it."

We invite you to celebrate with us our joy in having reached this milestone in our journey through life. We thank you for having set our feet on the right path and hope that we may never stray.

Dedication

We, the graduating class of 1974, would like to dedicate our program to all of those who have helped us through our elementary education.

To Fr. Young, whose thoughtfulness and cheerful disposition has helped us to grow and mature in the last two years.

To Fr. Pechanich, our hard working assistant pastor, who has always had an open mind and an open confessional for us.

To Sr. Margaret Mary, our kind and understanding Principal, who at times was over worked but was always willing to listen and help us with our problems.

To all the Sisters and Lay Teachers, who taught us to face up to our problems and shared with us the joyous moments we experienced at St. Bridget of Sweden.

Especially to our Eighth grade Teacher, "Mr. Vallone, whose tremendous enthusiasm for "Marathon Bars" never let our efforts flag, until with aching fingers we reached out to receive \$1,000 worth of athletic equipment for our school.

And most of all, to you Mom and Dad, because without your help and confidence this memorable occasion could not have been possible.

We wish to express our sincere appreciation to all of those who have helped us grow in a truly Christian way. We are grateful to all of you, because you have, each in your own way helped us to mature.

Class Gift

In the past, it has been an eighth grade tradition to present the school with a gift. This year, to show our appreciation, it is our privilege to present the school with the \$600 we were able to raise by having the car wash and field work day.

We are giving this money to the school with the intention that it will go towards converting the hall into a gym. We hope that this will benefit the future students of St. Bridgets.

Farewell Address

Throughout the eight years that we have spent at St. Bridget's, all the sisters and lay teachers have spent long and tedious hours teaching us to grow in a truly Christian manner. Now, it is very difficult for us to say goodbye to St. Bridget's and all that it has meant to us.

We bid farewell to:

Fr. Young, our understanding Pastor, who over the last two years has helped us to grow and mature as young Christian adults.

To Fr. Pecharik, our kind and helpful assistant Pastor, who through the long working hours and hardships advised us during the year.

Finally, we bid a special farewell to our devoted Principal Sr. Margaret Mary, who is also leaving St. Bridget's. We will always remember the good things that she has done for us and hope that she will continue to help others grow into young Christian adults as she has helped us on our way to maturity.

This isn't the end, but a new beginning. In the years to come, we will meet more people and begin to grow even more and more. We the graduating class of 1974, like all graduating classes before us, have been prepared during our eight years at St. Bridget's confidently to face tomorrow, and all it has in store for us.
